STATEMENTS OF CONFLICT OF INTEREST
ITEM #1

AUTHORIZATION TO TRANSFER FUNDS FROM WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) FORMULA DISLOCATED WORKER PROGRAM TO WIOA FORMULA ADULT PROGRAM
DATE: August 24, 2022

TO: Workforce Development Board

FROM: Patricia Virgen, Executive Director

SUBJECT: AUTHORIZATION TO TRANSFER FUNDS FROM WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) FORMULA DISLOCATED WORKER PROGRAM TO WIOA FORMULA ADULT PROGRAM

IT IS RECOMMENDED:

That the Workforce Development Board:

1. Authorize the Executive Director of the Employment and Economic Development Department to transfer, subject to State approval, up to $1,987,000 (80%) of the Program Year (PY) 2021-22 and $1,550,436 (60%) of PY 2022-23 WIOA Formula Dislocated Worker funds to the WIOA Formula Adult funds; and

2. Authorize the Executive Director to sign all documents related to this action.

REASONS FOR RECOMMENDATION:

Section 133(b)(4) of the WIOA allows for the transfer of up to 100% of the funds between the Formula Adult and Formula Dislocated Worker Programs. The WIOA Formula Adult Program is funded to serve customers that are low income. The WIOA Formula Dislocated Worker Program is funded to serve customers who have been recently laid-off. The purpose of the transfer provisions in WIOA is to provide the local workforce development areas the flexibility necessary to meet customer demand in the America’s Job Centers of California (AJCC) WorkNet Centers. For example, if more customers utilizing the WorkNet Centers are WIOA Adults, funds may be transferred from the WIOA Dislocated Worker program to meet the greatest need. Formula funds may not be transferred to or from the WIOA Youth Program.

Under the above-identified transfer provisions, the San Joaquin County Workforce Development Board (WDB) has authorized the transfer of Formula funds between the Adult and Dislocated Worker programs five times since the inception of the WIOA in 2014. The most recent approved transfer of $547,415 (23% of the allocated funds) was completed on February 23, 2022 from the Dislocated Worker program to the Adult program.

WIOA Formula-Funded Service Levels

More Adults than Dislocated Workers are seeking and receiving Formula-funded services within the AJCC WorkNet Centers. The chart below illustrates the number of individuals who received WIOA Formula-funded services in PY 2021-22:
<table>
<thead>
<tr>
<th>Service Type</th>
<th>Adult</th>
<th>Dislocated Worker</th>
<th>Total Adult and Dislocated Worker</th>

<td>94</td>
<td>525</td>
</tr>
<tr>
<td>TOTALS</td>
<td>1,092</td>
<td>267</td>
<td>1,359</td>
</tr>
</tbody>
</table>

WIOA authorizes career services for Adults and Dislocated Workers. There are three types of career services: basic career services, individualized career services, and training services.

**Basic Career Services** are universally accessible services and must be made available to all individuals seeking employment and training services at the AJCC. These services typically involve less staff time and involvement. Basic Career Services include services such as: eligibility determination, initial skill assessments, labor exchange services, information on programs, and service and program referrals. For the PY 2021-22, 11,711 individuals were provided basic career services.

**Individualized Career Services** must be provided to participants once the AJCC staff determines that such services are required to retain or obtain employment. Generally, these services involve significant staff time and customization to each individual's needs. Individualized career services include services such as: specialized assessments, developing an individual employment plan, counseling, work experience, etc.

**Training Services** include education and employment training for participants who have been unable to find employment. Typically training services are offered either through a referral to an eligible training provider (eligibility is determined by the State) for classroom training or by a local employer through the On-the-Job Training Program.

Approximately 79% (661/834) of the customers receiving Individualized Career Services in the AJCC WorkNet Centers and 82% (431/525) of those enrolled into Training Services are classified as Adults.

The 2021-22 WIOA Formula Adult and Dislocated Worker allocations were allocated 54% and 46% of the total $5,404,598 allocation, respectively and the 2022-23 were allocated at 55% and 45% of the total $5,724,023, respectively. WIOA Formula Adult and Dislocated Worker expenditures are driven by participant enrollments, resulting in the need to transfer funds.

**Transfer of Funds - Formula Dislocated Worker to Formula Adult**

The chart below illustrates the current Formula funding levels for WIOA Adults and Dislocated Workers, the impact of the proposed transfers and the total funding available to both the Adult and Dislocated Worker populations after the proposed transfer:

</tbody>
</table>

The WDB’s approval of the recommendation to transfer up to 80% of the PY 2021-22 and up to 60% of the PY 2022-23 of the WIOA Formula Dislocated Worker funds to the WIOA Formula Adult program is necessary to ensure that adequate resources are available to serve adults enrolled in the program. The proposed transfer will more closely align the funding available to the percentage of individuals classified as Adult: - 80% (1,092/1,359). If additional funding is needed to serve the Dislocated Worker population, the State will have funding available and San Joaquin County can submit an application for additional assistance funding out of the Governor’s discretionary grant.

**FISCAL IMPACT:**

Up to 80% ($1,987,000) will be transferred from PY 2021-22 WIOA Formula Dislocated Worker to WIOA Formula Adult and up to 60% ($1,550,486) will be transferred from PY 2022-23 WIOA Formula Dislocated Worker to WIOA Formula Adult.

**ACTION TO BE TAKEN FOLLOWING APPROVAL:**

1. Submit transfer requests to State. (August 24, 2022)

APPROVAL OF WORKFORCE INNOVATION AND OPPORTUNITY ACT FORMULA FUND BUDGET FOR PROGRAM YEAR 2022-23
DATE: August 24, 2022

TO: Workforce Development Board

FROM: Patricia Virgen, Executive Director

SUBJECT: APPROVAL OF WORKFORCE INNOVATION AND OPPORTUNITY ACT FORMULA FUND BUDGET FOR PROGRAM YEAR 2022-23

IT IS RECOMMENDED:

That the San Joaquin County Workforce Development Board (WDB):

1. Approve the attached Workforce Innovation and Opportunity Act (WIOA) Formula Fund Budget for Program Year (PY) 2022-23; and

2. Authorize the Chair of the WDB to sign all documents related to this action.

Background:

Under Section 107 (12)(A) of the WIOA, each local Workforce Board is required to approve an annual budget for the use of formula Adult, Dislocated Worker and Youth funds. Formula WIOA funds provided to local Workforce Boards are based on allocations determined by the U.S. Department of Labor (DOL) and the State of California. Allocations to the States and U.S. Territories were established through Training and Employment Guidance Letter (TEGL) 09-21, dated May 6, 2022. From the federal allocation California, the State Employment Development Department (EDD) allocated formula funding to local Workforce Boards in accordance with the Workforce Services Information Notice (WSIN) 21-43, dated May 25, 2022.

Approval of this recommendation by the WDB and the San Joaquin County Board of Supervisors will allow the Employment and Economic Development Department (EEDD) to utilize the PY 2022-23 formula WIOA fund allocations to serve Adults, Dislocated Workers, and Youth. For PY 2022-23, San Joaquin County has been allocated a total of $9,000,613 as follows:

A comparison of the PY 2021-22 and PY 2022-23 formula allocations is as follows:
<table>
<thead>

ITEM #3

APPROVAL TO MODIFY INDIVIDUAL TRAINING ACCOUNT SYSTEM
DATE: August 24, 2022

TO: Workforce Development Board

FROM: Patricia Virgen, Executive Director

SUBJECT: APPROVAL TO MODIFY INDIVIDUAL TRAINING ACCOUNT SYSTEM

IT IS RECOMMENDED:

That the Workforce Development Board (WDB) approve the recommendation to modify the Individual Training Account System by increasing the cap amount on ITA tuition from the current $5,000 to $7,500, and allow the Executive Director, or designee, to waive the $7,500 cap up to a limit of $10,000.

REASON FOR RECOMMENDATION:

On April 26, 2000, the Workforce Investment Board (WIB), predecessor to the Workforce Development Board (WDB), approved the establishment of the Individual Training Account (ITA) system in accordance with Sections 122 and 134 of the Workforce Investment Act (WIA). The ITA is the means by which eligible participants access classroom training funded through the Workforce Innovation Act (WIA), the predecessor to the Workforce Innovation and Opportunity Act (WIOA). The WIB approved a maximum cap of $6,250 per ITA.

On March 26, 2008, the WIB reduced the ITA cap from $6,250 to $5,000 as the average cost was approximately $4,000 and Adult and Dislocated Worker formula funds had been reduced from $12.3 million to $6.3 million. The state began requiring local boards to set a limit for the duration of an ITA, so this limited the duration of an ITA to a maximum of two years.

On December 5, 2012, the WIB approved a modification to the ITA system, allowing the Executive Director, or designee, to grant, on a case-by-case basis, a waiver of the $5,000 ITA cap up to a maximum of $10,000 per individual. It was anticipated at that time that the waiver would be used on a very limited basis.

ITA costs over the last 10 years have been steadily increasing from an average of $4,000 in 2012 to $6,023 in 2021. The ITA cap has remained at $5,000 since 2008. This has necessitated an increased use of the waiver, which was intended to be used on a very limited basis as it adds an extra layer of approval and could create a hardship to a student needing to begin training immediately. In 2019-2020, the waiver was used 8 times. For the last two years the waiver was used 20 times.
Increasing our ITA cap to $7,500 would bring us in line with Stanislaus and Sacramento Counties, which are the two counties we typically send participants to if a local training provider is unavailable.

Approval of this increase will enhance our local ITA system by expanding training opportunities for participants and increase the capacity of highly trained, skilled workers in San Joaquin County, allowing us to more effectively address the continued high demand for truck drivers and other workers in the transportation/logistics sector. As an additional benefit, approval will serve to further align local policy with that of the San Joaquin Valley and Associated Counties (SJVAC) Regional Planning Unit, which may enhance the regional planning unit's ability to secure competitive grants that focus on regional collaboration and expanded training opportunities throughout the Central Valley.

FISCAL IMPACT:

Approval of the recommendation will increase our training expenditures; however, the current funding supports this increase and would not negatively affect delivery of service.

APPROVAL OF AMENDED AGREEMENT TO OPERATE A STUDENT TRAINING & EMPLOYMENT PROGRAM (STEP) FOR STUDENTS WITH DISABILITIES IN SAN JOAQUIN COUNTY
DATE: August 24, 2022

TO: Workforce Development Board

FROM: Patricia Virgen, Executive Director

SUBJECT: APPROVAL OF AMENDED AGREEMENT TO OPERATE A STUDENT TRAINING & EMPLOYMENT PROGRAM (STEP) FOR STUDENTS WITH DISABILITIES IN SAN JOAQUIN COUNTY

IT IS RECOMMENDED:

That the Workforce Development Board:

1. Approve an amended Agreement between the State of California Department of Rehabilitation (DOR) and the San Joaquin County Workforce Development Board (WDB) to operate the STEP Grant for the period July 1, 2022 through June 30, 2025;

2. Authorize the Director of the Employment and Economic Development Department (EEDD) to execute all necessary documents related to this grant; and

3. Forward the recommendation to the San Joaquin County Board of Supervisors for approval.

REASONS FOR RECOMMENDATION:

Background

Since July 2018, the DOR has contracted with San Joaquin County to operate a Summer Training & Employment Program for Students (STEPS) with disabilities to begin at the conclusion of the school year. The EEDD has been awarded grants for the last four (4) years and has provided paid work experience and job readiness workshops to Students with Disabilities (SWDs).

On April 8, 2022, the DOR expressed interest in renewing a version of the STEPS Program changing the program from a summer program to a year round program. On May 25, 2022, the WDB approved an Agreement with DOR to operate the STEP program.

On August 16, 2022, EEDD had a meeting with DOR to discuss the delay in the fully executed agreement. At the that time DOR presented EEDD with an amended agreement. The Scope of Work in the amended agreement would not change, however the payment provisions of the agreement were updated to reflect the utilization of program management fee structure to cover the costs associated with providing the case management, paid work experience, monthly reporting, and fiscal services necessary to implement the STEP Grant in San Joaquin County. Under this agreement, the EEDD would still serve 150 SWDs between the ages of 16-21 years old by providing up to 20 hours of workplace readiness training and 300 hours of paid
work experience at private and/or non-profit worksites in San Joaquin County. This project would continue to align with the established EEDD youth programs.

FISCAL IMPACT:

Approval of this amendment will allow the commencement of the program.

ACTION TO BE TAKEN FOLLOWING APPROVAL:

1. Submit recommendation for approval to the San Joaquin County Board of Supervisors. (September 13, 2022)

In order to align with the vision of the WIOA and provide meaningful support to students with disabilities in California, DOR and the Contractor are committed to working collaboratively.

   a. WorkNet EDA was contacted by the California Office of the Small Business Advocate to see if locally we could get someone who spoke Spanish to assist Mr. Oropeza with either getting an extension to his lease or finding a new location within the remaining 15 days so that he could continue to operate his business. Through a few different individuals and organizations (San Joaquin County WorkNet, SBDC, Jennifer Patino and Team Patino with DOMA Title Company in Lodi, and local real estate agents) Mr. Oropeza was able to get a new location for his restaurant. He also qualified for the Microbusiness Covid Relief Grant which is doubled here in San Joaquin County due to the county approving a match of the state amount of $2500. The San Joaquin County (SJC) labor market review will be available at the meeting. The third chart details San Joaquin County as part of the San Joaquin Valley and Associated Counties Regional Planning Unit (RPU). The RPU is comprised of all counties in the San Joaquin Valley and is one of 14 RPUs designated by the State.
