Ms. LaBounty summarized the information contained in the agenda item regarding the transfer of $1,987,000 of PY 2021-22 and $1,550,486 of PY 2022-23 WIOA Formula Dislocated Worker funds to the WIOA Formula Adult Program as far more adults are seeking and receiving services in the AJCC WorkNet Centers.

MOTION

Mr. Sepulveda moved and Mr. Acevedo seconded to authorize the transfer of funds from the Workforce Innovation and Opportunity Act (WIOA) Formula Dislocated Worker Program to the WIOA Formula Adult Program.

A-2 Approval of Workforce Innovation and Opportunity Act Formula Fund Budget for Program Year 2022-23

Ms. LaBounty summarized the information contained in the agenda item and answered questions regarding the utilization of WIOA Formula funds including System-Wide Services, Basic Career Services, Individualized Career Services, Training Services, and Follow-up Services. With these funds, it is anticipated that more than 12,000 individuals are expected to receive Basic Career Services during PY 2022-23. A subset of those individuals will go through an eligibility determination process and be officially enrolled into one or more of the formula grants.

Mr. Mark asked about childcare and if that was offered to the participants during follow up. Ms. Virgen summarized childcare services and services available after exit during follow up.

Ms. Craig had a budget question regarding the total amount of available funding and how participants are aware that follow up services are available to them. Ms. Virgen also stated that during follow-up participants are informed of available services if they are in need.

Mr. Acevedo noted that costs have increased due to inflation and that it makes sense to increase the ITA cap at this time. Mr. Mark asked if this increase pays for the full portion of the training and Ms. Virgen responded that the $7,500 is the cap for the tuition, however WIOA allows for payment of costs associated with the training such as books, supplies, etc. as long as the items are listed on the Eligible Training Provider List (ETPL).

MOTION

Ms. Wilcox moved and Mr. Sepulveda seconded the approval to modify the Individual Training Account System.

ITEM #1

APPROVAL OF 2023 WORKFORCE DEVELOPMENT BOARD MEETING SCHEDULE
DATE: February 22, 2023

TO: Workforce Development Board

FROM: Patricia Virgen, Executive Director

SUBJECT: APPROVAL OF 2023 WORKFORCE DEVELOPMENT BOARD MEETING SCHEDULE

IT IS RECOMMENDED:

That the Workforce Development Board (WDB) approve the attached 2023 Workforce Development Board Meeting Schedule.

REASONS FOR RECOMMENDATION:

Historically, the Workforce Development Board (WDB) approved an 11 meetings per year schedule that reflected monthly meetings through October with a combined November/December meeting. This provided the flexibility, allowing the WDB to take appropriate action on time-sensitive agenda items as required by the State, however many meetings were canceled due to lack of actionable items. In 2016, the Board recognized that monthly meeting were not necessary and a more strategic schedule was developed to coincide with specific activities required of the Local WDB.

For the first six months of 2019, there were a number of specific activities required of the Local WDB that were time-sensitive and required WDB and San Joaquin County Board of Supervisors approval with a relatively short turn-around time. The scheduling of WDB meetings to facilitate the timely completion of critical components required under the Workforce Innovation and Opportunity Act (WIOA) will ensure the WDB’s compliance with State and federal requirements.

Program year 2023 marks the seventh year of WIOA implementation. Although the WIOA implementation carried a heavy agenda, WDB meeting activity in 2023 is not anticipated to be as demanding as it was during PY 2016 through PY 2019. The 2023 WDB meeting schedule will only require six (6) meetings with the critical tasks anticipated. However, policies and procedure directives from the U.S. Department of Labor and the State WDB may require the scheduling of additional meetings. If additional meetings are needed to meet a specific unexpected deadline imposed by the State, Department of Labor or other funding source, a meeting could be scheduled. There will be sufficient time to notify the WDB and schedule the meeting.

Approval of this WDB meeting schedule should enable the Board to act in a timely manner to meet all WIOA regulatory and statutory requirements.
FISCAL IMPACT:

There is no fiscal impact for the approval of the 2023 Workforce Development Board Meeting Schedule.

ACTION TO BE TAKEN FOLLOWING APPROVAL:

1. Immediately release and publicize the approved meeting schedule.

ITEM #2

AUTHORIZATION TO ACCEPT GRANT FUNDING IN THE AMOUNT OF $569,145 FOR A REGIONAL EQUITY AND RECOVERY PARTNERSHIPS (RERP) GRANT IN SAN JOAQUIN COUNTY
DATE: February 22, 2023

TO: Workforce Development Board

FROM: Patricia Virgen, Executive Director

SUBJECT: AUTHORIZATION TO ACCEPT GRANT FUNDING IN THE AMOUNT OF $569,145 FOR A REGIONAL EQUITY AND RECOVERY PARTNERSHIPS (RERP) GRANT IN SAN JOAQUIN COUNTY

IT IS RECOMMENDED:

That the Workforce Development Board:

1. Approve an Agreement between the County of Stanislaus and the San Joaquin County Employment and Economic Development (EEDD) to operate the Regional Equity and Recovery Partnerships (RERP) Grant to provide 67 eligible participants with skills training in transportation-distribution and advanced manufacturing through work-based opportunities with grant funding in the amount of $569,145 for the period December 1, 2022 through September 30, 2025;

2. Authorize the Director of the Employment and Economic Development Department (EEDD) to execute all necessary documents related to this grant; and

3. Forward the recommendation to the San Joaquin County Board of Supervisors for approval.

REASONS FOR RECOMMENDATION:

On August 1, 2022, the Stanislaus County Workforce Development Department, on behalf of the San Joaquin Valley and Associated Counties (SJVAC) Regional Planning Unit (RPU), received funding from a competitive application process to operate a RERP Grant from the California Workforce Development Board (CWDB)

The SJVAC RPU was awarded these funds with the intent that Stanislaus County Workforce Development will serve as the administrator for the Region. The San Joaquin County EEDD will work in partnership with the local community college, industry, adult education, economic development, and other community partners across the RPU to build skills through training and to provide work-based learning opportunities that will lead to sustainable quality jobs.

Background

In February 2022, the CWDB solicited applications for the RERP Grant to support regional Workforce Development Board and Community College Consortia Partnerships. The RERP represents an acceleration and deepening of the existing Regional Plan implementation efforts and will support and invest in partnerships attempting to add high road approaches to existing sector strategies and career
pathway programs. "High Road" is a set of economic and workforce development strategies to achieve economic growth, economic equity, shared prosperity, and a clean environment. The strategies include, but are not limited to interventions that:

- Improve job quality and job access, including for women and people from underserved and underrepresented populations.
- Meet the skill and profitability needs of employers.
- Meet the economic, social, and environmental needs of the community.

With this agreement, the EEDD will engage in participant outreach/recruitment, and partner with the local community college to provide short-term training for entry-level workers that will lead to high-road occupations. The target populations shall include the following: English Language Learners, Immigrants, Justice-Involved Individuals, People with Disabilities, Veterans, Low-Income Households (LIH), and Dislocated Workers. The programs will focus on building skills in the Transportation-Distribution-Logistics (TDL) and Advanced Manufacturing industries through training and work-based opportunities.

The RERP Grant is a collaboration with the Community Colleges Chancellor's Office Workforce and Economic Development Division, and the Chancellor's Office will be announcing AB132 RERP awards upon Board of Governors' approval.

**FISCAL IMPACT:**

The amount of $569,145 will be added to the department budget.

**ACTION TO BE TAKEN FOLLOWING APPROVAL:**

1. Submit recommendation for approval to the San Joaquin County Board of Supervisors. (March 2023)

1. What were the goals of the participant when entering the program?

Gabriel reached out to the Delta WorkNet Center for training services. His goal was to take the opportunity due to layoff to change careers. Gabriel was working as a Retail Manager, but has been laid off many times, and he wanted to obtain a training to help him improve his skills, and find steady employment.

2. Describe how the AJCC center helped the participant achieve his/her goals. What programs did the participant use? How has this improved the participant and his/her family?

Gabriel received guidance and assistance from Case Manager Priscilla Mikao. They reviewed labor market information regarding demand, performance, training cost, and job opportunities in San Joaquin County. Gabriel chose a Truck Driving training and was able complete the training and obtain both a Class A license as well as a TWIC Certification and HAZ Mat endorsement. Case Manager Priscilla provided support to Gabriel all throughout his training, as well as after as he was seeking employment. WorkNet provided Gabriel with supportive services paying the fees for his TWIC Card and HAZ Mat endorsements. Obtaining these endorsements made him more marketable in the workforce, and he was able to secure employment immediately after his training.

He is now employed full time with AC Trucking located in Manteca, CA as a company driver. He works in a high demand occupation that offers a living wage and steady hours. This career change has helped him improved the financial situation that he was in.

1. What were the goals of the participant when entering the program?

Case Manager Qutina received an email from Chrystal inquiring about WIOA services. She was a student at SJ Delta College and was entering the 1st semester of the Associate Degree of Nursing (ADN) training program in the Fall 2020 semester. Chrystal was currently employed as a Teacher’s Assistant with Lincoln Unified School District, however she was only working part time, and she was not self-sufficient. To support herself while in training, Chrystal was using her savings. She expressed to Case Manager Qutina that she needs WorkNet assistance while in training due to lack of funds. Her goal was to complete the Associate Degree of Nursing training program, obtain licensure and work as a Registered Nurse. She had barriers that made her an ideal candidate for WIOA services.

2. Describe how the AJCC center helped the participant achieve his/her goals. What programs did the participant use? How has this improved the lives of the participant and his/her family?

Case Manager Qutina assisted, and guided Chrystal throughout the WIOA enrollment process all the way to completing her training. Chrystal completed the ADN training program graduating with her Associate’s Degree of Nursing with High Honors. Chrystal's case file was assigned to Case Manager Kia and she assisted Chrystal in finding employment. Due to lack of funds, Chrystal was unable to purchase the required supportive services for the RN training program, so she received assistance from WorkNet in purchasing books, clothing/uniforms, and work shoes, as well as assistance with Livescan fee, application for Licensure, Licensure Fee, UWORLD subscription, Kaplan Fees, and advanced certification fees. Chrystal is working full-time at St. Joseph’s Medical Center as a Staff Nurse II in the Oncology Department making a wage which is significantly higher than prior to her enrollment in WIOA.

3. Please include a quote from the Participant about his/her experience.

“My experience with WorkNet has been wonderful! Qutina was always available and helpful with any questions or concerns I had. It is because of WorkNet that I was able to complete the nursing program. The program covered the costs of all the needed supplies and textbooks. It really helped ease my load and helped me to stay focused on my schoolwork instead of worrying about how I was going to afford the costs associated with school.”
