## San Joaquin County Employment & Economic Development Department (WorkNet/AJCC) GRIEVANCE AND COMPLAINT PROCEDURES

Workforce Innovation and Opportunity Act (WIOA), 20 Code of Federal Regulations (CFR) Proposed Rules, Section 683.600, requires that recipients of WIOA funds establish and maintain hearing and appeal procedures for handling program related grievances/complaints, except for grievances related to Job Corps. WIOA Proposed Rules 20CFR 683.600 defines the requirements for both the local and State grievance procedures.

San Joaquin County WorkNet/America's Job Center of California (AJCC), in compliance with WIOA federal regulations and State directives, has established a grievance/complaint procedure for the prompt review, impartial consideration and equitable disposition for complaints (administrative and/or Equal Employment Opportunity) presented by a complainant in any WorkNet Center under WIOA §181(c) (1). This does not cover complaints concerning fraud and abuse or alleged discrimination due to participant disabilities.

- At all levels of the grievance/complaint process, complainants have the right to be represented, at their own expense, by a person or persons of their choosing.
- All complainants have the right to technical assistance provided at no cost by WorkNet/AJCC.
- Grievances/complaints must be filed within **one (1) year** of the alleged violation. All grievances/complaints, amendments and withdrawals must be in writing.

#### I. Filing the Grievance/Complaint

Grievances/complaints must be in writing, signed and dated. The date the grievance/complaint is received by WorkNet, its service providers, One-Stop partners or subrecipients, shall be considered the date of filing. The grievance/complaint shall be considered a request for hearing. WorkNet/AJCC shall issue a written decision within sixty (60) days of the filing date.

## A. Complaint Information

- 1. The grievances/complaints must provide the following in the original filing:
  - a. The full name, telephone number and mailing address of the complainant;
  - b. Full name, telephone number and mailing address of the agency and person involved (respondent);
  - c. A statement of allegations in a clear and concise statement of the facts, including dates and any supporting documentation available;
  - d. What the complainant believes are the violation(s) of the Act, regulations, labor standards, grants or agreements, to the best of the complainant's knowledge;
  - e. Grievances/complaints against individuals, including participants or staff shall indicate how those individuals did not comply with the WIOA law, regulation or contract; and
  - f. Remedy sought by the complainant.

#### B. Timeline for filing original complaint

- 1. Any absence of the required information shall constitute grounds for dismissal of the grievance/complaint.
- 2. The written complaint must be made within one (1) year of the alleged occurrence.
- 3. Complaints alleging discrimination on the basis of a participant's disability must be filed within 180 days of occurrence.
- 4. A complainant has the right to withdraw their grievance/complaint in writing at any time prior to the formal hearing.
- 5. Grievances/complaints may be amended to clarify issues, but not to add new allegations.
- 6. All complaints submitted to WorkNet/AJCC must be mailed to:
  Stockton WorkNet Center, Attention: Patricia Virgen, 6221 N. West Lane, Suite 105, Stockton CA 95210.

## C. Informal resolution of the complaint

1. WorkNet/AJCC shall notify the complainant and the respondent of the opportunity for an informal resolution.

- 2. Respondents must make good faith efforts to resolve all grievances/complaints prior to the scheduled hearing. Failure on the part of either party to exert good faith efforts shall not constitute a basis for dismissing a grievance or complaint, nor shall it be considered to be a part of the facts to be judged in the resolution process.
- 3. WorkNet/AJCC shall ensure that any grievance/complaint not resolved in the informal resolution process, shall be provided a formal hearing, regardless of the merit of the grievance/complaint.
- 4. When a complaint has been resolved through the informal resolution process, WorkNet/AJCC shall attempt to contact the complainant and have them provide a written withdrawal of the complaint within 10 days of the receipt of the notice of resolution or impasse where a complainant decides not to proceed to an administrative hearing.

## D. Hearing process

Complainant may have representation if desired. Both parties shall have the opportunity to examine relevant records and documents, to present written or oral testimony and to call and/or question witnesses. The hearing shall be recorded either mechanically or by a court reporter. If an informal resolution is not possible between the complainant and respondent, WorkNet/AJCC must notify the complainant in writing of the next formal procedural step in the grievance process.

## II. Notice of Hearings

In the event a decision cannot be reached through the informal resolution process, WorkNet/AJCC shall:

- A. Conduct a hearing by an impartial independent hearing officer within thirty (30) days of the filing a grievance/complaint.
- B. Notify the complainant and respondent of the "Notice of Hearing" not less than ten (10) days prior to the date of the hearing by certified mail (return receipt requested). The time of the hearing may be earlier if mutually agreed to by both parties.
- C. The following information shall be included in the written Notice of Hearing;
  - 1. Grievances/complaint case number, name of complainant, name of respondent, date of grievance/complaint;
  - 2. Date, time and location of the hearing before an impartial hearing officer and an opportunity to present evidence: and
  - 3. A statement of the alleged violation(s). These statements must accurately reflect the content of the grievance or complaint as submitted by the complainant. However, clarifying notes may be added to assure that the grievance or complaint is addressed accurately.
- D. A request for a five (5) day postponement may be granted either party upon a showing of good cause to the Hearing Officer, provided the hearing is still conducted within thirty (30) days of the filing of the grievance/complaint.

## III. Rules of the Hearing

- A. Shall be held in an informal manner;
- B. The presentation of both written and oral testimony will be allowed:
- C. Both parties may present witnesses and the right to cross-examine the witness; and
- D. Both parties have the right to examine all relevant records and documents submitted.
- E. The hearing will be recorded electronically or by a court reporter.

## IV. Decision

- A. The decision shall be made not later than sixty (60) days after the filing date (Note: Time spent in informal resolution efforts may not extend this time limit) and must include:
  - 1. The names of the parties involved;
  - 2. A statement of the alleged violation and any related issues;
  - 3. A statement of facts;
  - 4. The decision on the issue and the reasons for the decision;

- 5. Description of the corrective action, if necessary to comply with the decision; and
- 6. Notification that an adverse decision may be appealed by the complainant to the State Review Panel; and
- 7. Notice of the right to file a complaint with the ORC Regional Office pursuant to §144(c) of Public Law 97-300, within ten (10) days of the receipt of the decision when any party disagrees with the decision.
- B. The decision shall be delivered to all parties by first class mail.
- C. If the decision is not issued within sixty (60) calendar days of the date of the filing of the complaint, or if either party is dissatisfied with the local hearing decision, either party has the right to file an appeal with the State.

A State hearing may be requested by submitting a written notice of appeal to: Chief, Compliance Review Office, MIC 22-M, Employment Development Department, PO Box 826880, Sacramento, CA 94280-0001

D. If the State Review Panel has issued an adverse decision regarding a grievance or complaint, or has not issued a decision within 60 days of receipt of a local level appeal, request for EDD review, or grievance or complaint, the complainant may file an appeal with the Secretary.

This appeal process applies to grievances and complaints that originated at the local or state level. Appeals of an adverse decision must be filed within 60 days of receipt of the adverse decision from the State Review Panel. In cases where the State Review Panel did not issue a decision, the complainant must file an appeal within 120 days of either of the following:

- 1. The date on which the complainant filed the appeal of a local level decision or request for EDD review with the state.

**PURPOSE:** This certificate, DE 4, is for **California Personal Income Tax (PIT) withholding** purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, Employee's Withholding Allowance Certificate (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form Employee's Withholding Allowance Certificate (DE 4) to determine the appropriate California Personal Income Tax (PIT) withholding.

If you do not provide your employer with a withholding certificate, the employer must use Single with Zero withholding allowance.

**CHECK YOUR WITHHOLDING:** After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

**EXEMPTION FROM WITHHOLDING:** If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

- 1. You did not owe any federal/state income tax last year, and
- 2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating EXEMPT must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

**Member Service Civil Relief Act:** Under this act, as provided by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act of 2018, you may be exempt from California income tax withholding on your wages if

- (i) your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) you are present in California solely to be with your spouse; and
- (iii) you maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

As a <u>male applicant aged 18 – 21 years old</u>, I hereby authorize San Joaquin County WorkNet/EEDD to verify if I am registered for Selective Service. ## EXCERPTS FROM SELECTIVE SERVICE REGISTRATION POLICY DIRECTIVE (Date: April 10, 2017 Number: WSD16-18 c/o EDD):

Males who are subject to the registration requirements of the Military Selective Service Act must have complied with these requirements to be eligible for participation in WIOA funded programs and services. Under WIOA Section 189(h), the U.S. Secretary of Labor is required to ensure that each individual participating in a WIOA program, or receiving any assistance under WIOA Title I, has not violated Section 3 of the Military Selective Service Act. This section requires that every male residing in the United States (citizen or non-citizen) must register with Selective Service between their 18th and 26th birthday. This guidance is being reissued to clarify acceptable forms of documentation when determining whether an individual's failure to register with the Selective Service was knowing and willful.

All programs and services established or receiving assistance under WIOA Title I must comply with the Selective Service registration requirements. These requirements apply to both formula and discretionary grants awarded by the Department of Labor (DOL). They do not apply to programs funded or solely authorized by the Wagner-Peyser Act.

#### **Selective Service Registration Requirements**

Males born on or after January 1, 1960, are required to register with the Selective Service within 30 days of their 18th birthday and up to, but not including, their 26th birthday. This includes the following males: • U.S. citizens. • Veterans discharged before their 26th birthday. • Non-U.S. citizens, including undocumented immigrants, legal permanent residents, and refugees, who take up residency in the U.S. prior to their 26th birthday. • Dual nationals of the U.S. and another country, regardless of whether they live in the U.S.

**Selective Service registration is not required for the following male U.S. citizens:** • Males who are serving in the military on full-time active duty. • Males attending the service academies. • Disabled males who were continually limited to a residence, hospital, or institution. • Males who are hospitalized, institutionalized, or incarcerated are not required to register during their confinement. However, they must register within 30 days after being released if they have not yet reached their 26th birthday. • Male veterans discharged after their 26th birthday.

# Student Training & Employment Program (STEP)

# FOR APPLICANTS UNDER AGE 18 Work Permit Eligibility

Paid work experience is the major component of the Student Training and Employment Program (STEP). If a STEP applicant is under the age of 18, they will need to obtain a work permit **before** they can be placed on payroll and start working.

To ensure that a STEP applicant is able to fully participate in paid work experience, their signature and that of their parent/guardian below show that they are aware of the following typical work permit eligibility requirements and that the school may refuse to issue, or may rescind work permits if eligibility is not met on an ongoing basis:

To obtain and keep a work permit, a student must have:

- 1. A minimum GPA of 2.0
- 2. No F's
- 3. Seven (7) or fewer single period unexcused absences

If a STEP applicant currently does not meet eligibility, they may reactivate their STEPS application when grades and attendance have improved and now meet the school's work permit eligibility requirements.

Minor student and parent/gud	ardian must read below and sign.
My parent/guardian and I have read the above aware that my STEP application may be put on permit.
